Welcome to easy living at 142 Edgars Lane! This stunning home has been immaculately renovated with no detail overlooked, including an elegant heated, saltwater pool for your summer entertaining and fun - a rare find in Hastings!

This three bedroom, three full bathroom home lives like a five bedroom on five separate levels. Upon entry, you'll be greeted by a newly-added foyer that leads to the main great room, which is the heart of the home: a working fireplace surrounded by custom built-ins and an oversized picture window with sheer electric shades, affording privacy while allowing natural light in. The dining area opens to the backyard for seamless indoor/outdoor living, while the adjoining kitchen has recently undergone a complete renovation including a built-in Wolf Microwave, a wine & beverage fridge and an 8.5 ft island. The second level comprises a primary en-suite bedroom, a second and third bedroom along with a full bath; all that were recently renovated. On the third level there is a spacious, private home office adorned with original hardwood floors, a laundry nook and a vast storage room. The lower level offers a versatile space with a newly renovated full bathroom and two separate landings for a family den, office, additional sleeping, and ample storage. A workroom/home gym and an attached two-car garage only add to the convenience.

This home is ideally located on one of the most coveted streets in Riverview Manor, just around the corner from the Old Croton Aqueduct Trail and Zinsser Park. Less than a mile to town, and all Hastings has to offer; restaurants, shops + the farmer's market. All just 17 miles outside of NYC. 142 Edgars Lane was fully renovated in 2023, including a new HVAC system, boiler, Sonos system, brand new security system & motion detectors, commercial grade insulation, flooring, windows, doors, plus a beautiful heated saltwater pool. This home is extremely energy efficient with solar panels and a car charger. A truly special property - this house is a must-see!
