Charming Mid-Century Ranch with spacious yard & great potential! There's a lot to like about this handsome & affordable 1955 gem already - but with a little TLC, this home could easily be taken to next-level, mid-century cool! The home offers more space than you'd expect at 1st glance. On the main level, there's a family rm addition w/a wood stove as the centerpiece - and glass doors leading out to the rear deck. The semi-finished basement, with its own additional entrance from the back yard, offers great usable space/potential in addition to the listed SQFT. On the main level there's a wonderfully spacious eat-in kitchen (w/pantry closets) that acts as the central hub of the home & can be accessed from 3 sides. The living rm is bright & sunny with a large bay window - and hardwood floors that also extend down the main hall & into the primary bedroom suite & 2nd bedroom. Recent upgrades/improvements include: roof on rear addition (w/leaf guard gutter covers), furnace & water heater, electric service line & panel, and ss kitchen appliances. Close to shopping, schools, parks, dining & transportation. Don't miss this one!

Built in 1955
