3 Bedroom, 2.00 Bathroom, 1,300 sqft
Residential on 0.02 Acres

N/A, Yonkers, NY

This spacious 3-bedroom, 2-bath condo offers the perfect blend of comfort, style, and convenience. It features a modern kitchen with stainless steel appliances, a primary bath with a Jacuzzi, and a large walk-in closet. A private terrace off the living room provides a pleasant outdoor space. Enjoy the ease of in-unit laundry, the comfort of your own indoor garage space, and access to a pool—perfect for relaxing or entertaining in the summer. The units receive hot and cold water from a central system (a fan coil system with a central hydronic supply) to provide heating. Unit owners pay only for the electricity to run the fan motor: A very efficient system that results in low utility costs. The common charges include garage parking, gym access, and pool usage. Ideally located near public transportation and shopping, this home offers everything you need for modern, low-maintenance living in one convenient package.
