Enjoy nearly 1500 SF of newly usable space! Built in 1924, this lovely home has just undergone a top-to-bottom gut renovation, opening up the layout to bring in more light and modern convenience while still honoring its original charm. The sun-filled main floor features an open living and dining area with oversized windows and a bay window that frames greenery and fills the space with natural light. The brand-new kitchen has granite countertops, stainless steel appliances—including an induction range, and a large quartz island that seats four. A side entry leads to the yard and connects to the lower level. Upstairs, you’ll find two bedrooms, a fully renovated hall bath, and pull-down access to an insulated attic for extra storage. The finished lower level includes a newly created legal third bedroom, another full bath, and a spacious laundry area. Behind the scenes, the home has been thoroughly updated with new subfloors, insulation, gas and sewer lines, waterproofing, dry well installation, upgraded plumbing and electric, a tankless water heater, and efficient mini-split units throughout. Set on a small cul-de-sac just a short stroll from Hastings High School and Farragut Middle School—and minutes to Metro North (36 mins to Grand Central), the Saw Mill River Parkway, the South County Trail, the Old Croton Aqueduct, and the Village’s beloved shops, markets, and restaurants.
